Three Important Steps On Your Journey

Everyone "connects" in different ways. Depending on your life stage, personality, and circumstances – we each have different needs. We get it. There's no one-size-fits-all approach. But, there is always a next step towards Christ. Here are some important next steps you should consider.

Step 1 - Do you have questions about Jesus? Questions like, "Who is He and Why does He care about me?" Or, "What's the point of knowing Him?" Maybe you want to know how to have a relationship with Him. These are great questions! So, we offer classes for you and your kids called Discovering Christ.

Step 2 - Another important step is joining a Small Group. A Small Group is a group of people who get together regularly to develop some good friends and grow their faith.

Step 3 - Serving others is vital step in your journey. Jesus said "Whoever wants to be my disciple must deny themselves and take up their cross daily and follow me." Join a serving team that fits your unique gifts, desires, and passions.

We can help you with each of these. Just stop by Starting point after a service this weekend.

The screenshot shows a church website's "Connect" page. At the top, there is a dark header bar with the text "Rock Solid Church Demo" on the left and "Hello Alisha ▾" on the right. Below the header, the main content area has a title "Connect" and a breadcrumb navigation "Home / Connect". On the left side, there is a vertical sidebar menu with the following items: SubNav, Students, Adults, Prayer, Missions, Serve, Small Groups, Contact Us, Subscribe, Family Pre-Registration, and Sign-Ups Finder. The main content area features a section titled "Three Important Steps On Your Journey". It includes three steps: Step 1 (Discovering Christ), Step 2 (Joining a Small Group), and Step 3 (Serving others). Each step is described with a brief text and a callout box. At the bottom of the content area, there is a message: "We can help you with each of these. Just stop by Starting point after a service this weekend."

HTML Block

```
1 <div class="alert alert-info"><h1>Hello World!</h1></div>
```

The screenshot shows a web application interface with an orange header bar. The header includes a logo, user icons, and navigation links. The main content area displays a heading "Hello World!" above a "Staff Updates" section featuring a photo of two people at a computer. To the right are "Quick Links" (Rock RMS Website, External Website), "Active Internal Users" (none listed), and "Active External Users" (none listed).

Code Smell

Too many elements on one line
make it hard to read

HTML Block

```
1 <div class="alert alert-info">
2   <h1>
3     Hello World!
4   </h1>
5 </div>
```

The screenshot shows the Rock RMS dashboard interface. At the top, there's an orange header bar with the Rock RMS logo, a search bar, and user profile icons. Below the header is a sidebar with icons for Home, Staff, Events, Tools, and Support. The main content area displays a large image of a woman working at a computer, with the text "Hello World!" overlaid above it. To the right of the image, there are several sidebar panels: "Quick Links" (Rock RMS Website, External Website), "Active Internal Users" (no users listed), "Current Guests: 1" (with a small orange notification badge), and "Active External Users" (no users listed). The overall theme is professional and modern.

HTML Block

```
1 <div class="alert alert-info">
2   <h1>Hello World</h1>
3   <p>This is regular text.</p>
4 </div>
```

The screenshot shows the Rock RMS dashboard interface. At the top, there's an orange header bar with the Rock RMS logo, user profile, and navigation icons. Below the header is a dark sidebar containing five icons: a document, a person, a gear, a wrench, and a briefcase. The main content area features a card with the title "Hello World!" and the subtitle "This is regular text." Below this is another card titled "Staff Updates" with the date "5/8/2018". To the right of the main content are several sidebar panels: "Quick Links" with links to "Rock RMS Website" and "External Website"; "Active Internal Users" stating "There are no logged in users on the Rock RMS site"; "Current Guests" with a count of "1"; and "Active External Users" stating "There are no logged in users on the External Website site". A large image of a woman working at a computer is displayed in the center of the dashboard.

HTML Block

```
1 <div class="alert alert-info">
2   <h1>Hello World</h1>
3   <p>This is regular text.</p>
4 </div>
```

The screenshot shows a web application interface with an orange header containing a logo and a bell icon. A dark sidebar on the left features icons for file management, users, and other system functions. The main content area displays an 'HTML Block' with the following code:

```
<div class="alert alert-info">
  <h1>Hello World</h1>
  <p>This is regular text.</p>
</div>
```

The rendered output shows a blue 'Hello World!' heading and a blue 'This is regular text.' paragraph. Below this, there is a 'Staff Updates' section with a timestamp of '5/8/2018'. At the bottom, there is a partial view of two people's faces.

HTML Block

```
1 <div class="alert alert-info">
2   <h1>Hello World</h1>
3   <p>This is regular text.</p>
4 </div>
5 <p>...And this is on the background again</p>
```

Design Smell

On the internal site, we don't put content right on the background.

The screenshot shows a user interface with a dark orange header featuring the Ravel logo. Below the header is a sidebar with several icons: a document, a person, a coin, a wrench, and a briefcase. The main content area has a light gray background. It displays a heading "Hello World!" and some text "This is regular text." followed by "...And this is on the background again". Below this is a section titled "Staff Updates (5/8/2018)" with a partial view of two people's faces at the bottom.

HTML Block

```
1 <div class="alert alert-info">
2   <h1>Hello {{ CurrentPerson.NickName }}</h1>
3   <p>Today is {{ 'Now' | Date:'ddd, MMM dd' }}.</p>
4 </div>
```

The screenshot shows a mobile application interface with an orange header containing the Rivet logo and a notification bell icon. A dark sidebar on the left features five icons: a document, a person, a money bag, a wrench, and a briefcase. The main content area displays an 'HTML Block' with the following content:

Hello Alisha
Today is Tuesday, Nov 19.

Staff Updates (5/8/2018)

Below this, there is a blurred image of two people, a woman with blonde hair and a man with a beard.

HTML Block

```
1 <div class="alert alert-warning">
2   <h1>Hello {{ CurrentPerson.NickName }}</h1>
3   <p>Today is {{ 'Now' | Date:'ddd, MMM dd' }}.</p>
4 </div>
```

The screenshot shows a mobile application interface with an orange header containing the Rivet logo. A vertical navigation bar on the left features five icons: a document, a person, a money bag, a wrench, and a briefcase. The main content area displays a yellow card with the text "Hello Alisha" and "Today is Tuesday, Nov 19.". Below this is a section titled "Staff Updates" with a timestamp of "5/8/2018". At the bottom, there is a blurred image of two people.

HTML Block

```
1 <div class="alert alert-danger">
2   <h1>Hello {{ CurrentPerson.NickName }}</h1>
3   <p>Today is {{ 'Now' | Date:'ddd, MMM dd' }}.</p>
4 </div>
```

The screenshot shows a mobile application interface with an orange header containing the Rivet logo and a notification bell icon. A dark sidebar on the left features five icons: a document, a person, a money bag, a wrench, and a briefcase. The main content area displays an HTML block with the text "Hello Alisha" and "Today is Tuesday, Nov 19." Below this is a "Staff Updates" section with a timestamp of "5/8/2018". At the bottom, there are blurred images of two people.

HTML Block

```
1 <div class="alert alert-info">  
2   <h1>Hello {{ CurrentPerson.NickName }}</h1>  
3   <p>Today is {{ 'Now' | Date:'ddd, MMM dd' }}.</p>  
4 </div>
```

The screenshot shows a web application interface. At the top is an orange header bar with the Ravel logo on the left and a bell icon on the right. Below the header is a dark sidebar containing icons for a file, user profile, and other settings. The main content area displays an alert message: "Hello Alisha" in bold blue text, followed by "Today is Tuesday, Nov 19." Below this is a "Staff Updates" section with a timestamp of "5/8/2018". To the right of the alert message, there are two blurred images of people.

Design Smell

Unbalanced padding is awkward.

HTML Block

The screenshot shows a web-based application interface. At the top left is a logo consisting of a stylized orange 'R'. The top navigation bar is orange and contains a bell icon, a bookmark icon, a search icon, a 'Name' dropdown menu, and a user profile icon. Below the top bar is a green header bar with the text 'Hello Alisha' and 'Today is Tuesday, Nov 19.' On the far left is a vertical sidebar with several icons: a document, a person, a clock, a wrench, and a briefcase. The main content area features a large image of a woman with blonde hair sitting at a desk, looking towards the right. To her right, a man's face is partially visible. Above the image, the text 'Staff Updates (5/8/2018)' is displayed. The bottom right corner of the image has the text 'the External Website site.' The bottom right corner of the entire screen also has the same text.

div.alert.alert-info 1193 x 125.8

        <p>Today is Tuesday, Nov 19.</p>
      </div>
    <div id="ctl00_main_ctl27_ctl01_ctl08_upnlHtmlContentEdit" class="modal-open"></div>
  </div>
</div>
```

The developer tools also show a status message at the bottom: "the External Website site."

HTML Block

```
1 <div class="alert alert-danger">
2   <h1 class="mt-0">Hello {{ CurrentPerson.NickName }}</h1>
3   <p>Today is {{ 'Now' | Date:'ddd, MMM dd' }}.</p>
4 </div>
```

The screenshot shows a mobile application interface with an orange header containing the Rivet logo. On the left is a vertical navigation bar with icons for Home, Profile, Wallet, Tools, and Settings. The main content area displays an HTML block with the following content:

Hello Alisha
Today is Tuesday, Nov 19.

Below this, there is a section titled "Staff Updates" with a timestamp of "5/8/2018". The bottom portion of the screen shows a blurred image of two people, a woman with blonde hair and a man with a beard.

Spacing

Spacing Utilities

Add, remove, or change the amount of spacing on the inside/outside of any element.

Position (Top/Right/Bottom/Left/Horizontal/Vertical/All), Amount (0,1,2,3,4,5,auto), Breakpoint (xs,sm,md,lg,xl)

Margin and padding

Assign responsive-friendly `margin` or `padding` values to an element or a subset of its sides with shorthand classes. Includes support for individual properties, all properties, and vertical and horizontal properties. Classes range from `.25rem (4px)` to `3rem (48px)`.

Notation

Spacing utilities that apply to all breakpoints, from `xs` to `lg`, have no breakpoint abbreviation in them. This is because those classes are applied from `min-width: 0` and up, and thus are not bound by a media query. The remaining breakpoints, however, do include a breakpoint abbreviation.

The classes are named using the format `{property}{sides}-{size}` for `xs` and `{property}{sides}-{breakpoint}-{size}` for `sm`, `md`, and `lg`.

Where `property` is one of:

- `m` - for classes that set `margin`
- `p` - for classes that set `padding`

Where `sides` is one of:

- `t` - (Top) for classes that set `margin-top` or `padding-top`
- `b` - (Bottom) for classes that set `margin-bottom` or `padding-bottom`
- `l` - (Left) for classes that set `margin-left` or `padding-left`
- `r` - (Right) for classes that set `margin-right` or `padding-right`

HTML Context

The screenshot shows a web application interface for managing church groups. At the top, the URL is `rockrmsdemo.com/page/365?GroupId=113`. The header includes links for New Here?, Resources, Connect, Give, Blog, Calendar, Watch, and a user profile for Hello Alisha. The main content area is titled "Group Toolbox" and shows the "Marble Group" details. The sidebar on the left lists groups: Decker Group (Member), Alisha Marble's Group (Leader*), and Marble Group (Member). The main content area displays the "Marble Group" as a general Bible study group meeting near W Cactus and 31st Ave. It shows "Group Details" (Topic: General Bible Study) and "Leaders" (Bill Marble (Leader)). Navigation tabs for "Roster" and "Attendance" are visible. The footer provides page statistics: Page Load Time: 0.28s, ViewState Size: 46 KB, HTML Size: 104 KB, and a green progress bar icon. The bottom right corner of the footer bar is highlighted with a red box.

HTML Context

The screenshot shows a web browser displaying a church management system interface. The URL in the address bar is `rockrmsdemo.com/page/365?GroupId=111`, with the query parameter `GroupId=111` highlighted by a red box.

The page title is "Group Toolbox". The navigation menu includes "New Here?", "Resources", "Connect", "Give", "Blog", "Calendar", "Watch", and "Hello Alisha ▾".

The main content area displays a "Decker Group" card. The card title is "Decker Group" and the subtitle is "Small group with Ted as the group leader." To the left is a sidebar titled "Groups" with links to "Decker Group (Member)", "Alisha Marble's Group (Leader*)", and "Marble Group (Member)".

Below the card, there is a larger "Decker Group" section with the same title and subtitle. It includes "Group Details" (Topic: Book of Genesis) and "Leaders" (Ted Decker (Leader)). An "Edit" button is located at the bottom right of this section.
